

Global OB Package

OB/GYN Medical Group of Verdugo Hills bills obstetrical patients under a Global OB package.

The package includes the following

Prenatal visits, including urine testing

Delivery of infant

Six week postpartum visit

Fee:	\$3,800.00	Vaginal delivery package
	\$4,600.00	C Section package
	\$1,525.00	Assistant surgeon for C Section

After the delivery, our office will bill one fee to your insurance company for the package (or bill you if you have no insurance). The amount you will be responsible for paying after the insurance pays their portion (e.g. your deductible) will be discussed with you at one of your first visits to our office so you can prepare a payment plan with the billing office.

There are several services performed during pregnancy that are not included in the global package:

Initial OB visit

Ultrasounds

Non Stress Tests

Lab work

Pap smear

Circumcision for male infants

Prenatal hospital visits

Anesthesia for delivery – billed by anesthesiologist

Hospital Charges

Cord Blood Collection

Injections
